Plan the Wedding  
of your dreams

# Why Big Al for your wedding?

Allan "BIG AL" Johnson has been in the entertainment business for more than 30 years and brings a wealth of experience and professionalism to his performances.

He spent 20 years touring the world as a member of Real Life (remember Send Me An Angel, and Catch Me I'm Falling?) and leaves no stone unturned in his pursuit of a memorable evening.

"In the case of weddings there is a perception that the highlight is the ceremony," Al said.

"While this is certainly true, I believe that what follows is the true celebration of the act of getting married.

The nerves are gone, the wait is over, and the party begins.

"This has always been my attitude and it has never failed."

Al believes that the recipe for his success is his vast repertoire.

"I have performed for many different occasions and it is important for me to take into consideration everyone in attendance.

Al is available for weddings, football, netball and cricket clubs, RSL clubs, corporate functions, engagements, 21st to 80th birthday parties.

Al uses the latest in radio technology on his guitar and microphones which allows him to be totally remote and interact with his audiences and encouraging lots of audience participation.

"From the 50's right through to later day tunes –every era is covered," he said.

From Elvis and rock and roll, Neil Diamond, Blues Brothers Floorshow, Disco, Oz Rock, Robbie Williams—the list is huge, with the appropriate songs be-

ing chosen for the event and the patrons.

## Receptions at The Nobbies Centre

PERCHED on cliffs overlooking the wild waters of Bass Strait is Phillip Island's newest function venue, the Nobbies Centre.

It is the perfect place for functions, weddings and events – if your group can take their eyes off the stunning ocean views!

The Wild Ocean Room and Summerland Room are the perfect setting for meetings, group lunches and those special occasions.

A wide variety of function packages are available from working lunch menus for 30 to banquet menus for 100.

The rooms host unique 180 degree views including Seal Rocks and the Nobbies coastline.

Functions at the Nobbies offer a truly unique experience with a touch of nature and wildlife!

Your group's every need will be looked after and you will surely be the hero for selecting such a unique and memorable location.

Even better, you are supporting the world-renowned Phillip Island Nature Park's important conservation and research work by choosing PINP facilities.

PINP is a not for profit organisation dedicated to ecotourism and wildlife conservation.

Phillip Island is the perfect location for your event boasting many accommodation, and evening dining and activity options.

The venue can't be beaten for its unique experiences such as the world famous Penguin Parade, getting up close and personal with koalas and miles of spectacular beaches – all within an easy drive from Melbourne.

The Nobbies Centre is named after its location – the Nobbies is the headland formation at the end of the Summerland Peninsula on the western tip of Phillip Island. Arguably Victoria's best kept secret, the views from the Centre and boardwalks are breathtaking.

Phillip Island Nature Park has been operating the Penguin Parade, Koala Conservation Centre and Churchill Island Heritage Farm for over 10 years.

The fully refurbished Centre has been developed to continue the Nature Park's philosophy of excellence in ecotourism.

The Nobbies Centre is the perfect complement to a visit to Phillip Island, and, best of all, entry to the new centre is free!

Please note: the Nobbies Centre closes at sunset each evening to protect wildlife.
